

ANNUAL INDEX 1995

AMERICAN JOURNAL OF NURSING

Volume 95, Numbers 1-12 • January-December 1995 • Yelena Friedman, Indexer

This index is arranged in two sections: a Subject Index and an Author Index. Articles are entered under one or more subjects in the Subject Index and under the names of the author and any joint authors in the Author Index. News items are indexed in the Subject Index under the names of the organizations or groups mentioned as well as under the subject of the news item.

NOTE: In addition to subject headings used in **Medical Subject Headings (MeSH)**, published by the National Library of Medicine, pertinent nursing headings and updated headings in other health disciplines are used to make this index more useful and relevant.

Abbreviations used in this index are:

(CG) Career Guide	(DWD) Dealing with Death	(ME) Med Errors	(PT) Patient Teaching
(CIP) Currents in Practice	(E) Editorial	(N) AJN Newslines	(R) Reflections
(CN) Clinical News	(ED) Ethical Dilemmas	(PC) Pain Control	(RFP) Research for Practice
(CS) Clinical Savvy	(HC) Home Care	(PCP) Primary Care Protocol	(SUSO) Speak Up, Speak Out
(DM) Drug Monitor	(LS) The Legal Side		(WWP) Working with People

Issues months are abbreviated as shown below and followed by the page number:

January: Ja	April: Ap	July: Jl	October: Oc
February: Fe	May: My	August: Ag	November: No
March: Ma	June: Je	September: Se	December: De

Page numbers followed by a letter (16A, 18D) signify that the text appears in a demographic edition of *AJN* sent only to subscribers who indicate that they're employed in a hospital, work in critical care, or are nurse practitioners.
